The “Package of The Century”: Sheri’s Ranch to Offer Knockout \$100K ‘Package’ for Mayfield-Pacquiao Fight Weekend

PAHRUMP, Nev. / March 16, 2015 – Las Vegas-area brothel and resort Sheri’s Ranch is pulling no punches, offering big-ticket fans the “Package of the Century” the weekend of May 2nd’s highly-anticipated Floyd Mayweather Jr. – Manny Pacquiao fight in Las Vegas.

For a mere \$100,000 per person, Sheri’s Ranch will provide 2 tickets to the May 2nd Mayweather-Pacquiao bout at MGM Grand Garden Arena, roundtrip airfare to Las Vegas (from the continental United States only), car service from the airport to Sheri’s Ranch, and then to the fight and back, a weekend’s lodging in Sheri’s Ranch’s finest accommodations, and the finishing blow – the opportunity to enjoy quality time with all 24 ladies on the premises.

“The Mayweather-Pacquiao bout is a big deal for Las Vegas tourism, and will certainly bring in more customers than usual,” said Sheri’s Ranch’s owner Chuck Lee. “But for fight fans who want to experience the very best hedonism this city has to offer, it doesn’t get any better than the ‘Package of the Century’.”

High rollers have the opportunity to go 24-0 in Sheri’s scandalously-themed suites and six separate “role play” bungalows; a special 50 Shades of Grey-inspired Red Room of Pain, Sensory-Deprivation Sex, the Bathtub Blow Job, Silk Tie Oral Sex and Ben Wa Balls Spanking. Sheri’s also offers the only legal NURU massage experience in the country. As always, Sheri’s courtesans are highly skilled at fulfilling every fantasy in a safe, comfortable environment.

“We’ve never offered anything like it before, so we are curious to see how well it goes over in hopes we might make a new tradition here at the Ranch,” said Lee. “We are always looking to create a memory for our customers that will last a lifetime.”

Sheri’s Ranch is located at 10551 Homestead Road, Pahrump, NV 89061. For more information about Sheri’s, please visit the [website](#).
